

It was worth it:

For all those 2a.m. 4a.m. feedings "it was worth it."

For all those nights that you weren't feeling well, and I stayed up to nurse you back to health "it was worth it."

For those days, weeks, months, and a few years; things got hard but you stayed true to your path, only shedding a few tears along the way "it was worth it."

For all those times that you had to give tough love and remind him that you were preparing him for manhood "it was worth it."

Many nights I'd sit by your bedside and thank God for giving me to you. If you hadn't been in my life; I don't know where I'd be.

It is said that it's not the destination, but the journey and we have always did it together.

We weather any storm brought before us. I love you forever. My child you are truly a gift from God and a blessing in the light of Jesus. No words but actions alone can ever say just how much you mean to me. This heart felt words are a reminder of all we've been through and I just want to say that "IT WAS WORTH IT."

AMEN!!!
